### **A Mechanics Lien Was Filed on My Property - What Do I Do Now?**

A mechanic's lien is a document that can be publicly filed by a person or entity that improves real property, when they believe that they were not fully compensated. Usually, contractors, subcontractors or material suppliers will file liens; although architects and engineers can file them as well, in certain situations.

### **A Must For Owners Mechanics**

The claimant has no enforceable mechanics lien claim against the owner because it was served with the 8520 notice and failed to serve a stop payment notice. The owner is thus well protected from any subcontractor claim against it. I am unsure why owners have not, heretofore, regularly invoked this section and sent a notice such as this.

## **5 iOS Apps for Mechanics for Car | MashTips**

While the purpose of mechanics liens is to get construction industry participants paid what they deserve, a mechanics lien can be an enormous burden on the property owner. Having a mechanics lien encumbering the property makes it difficult or impossible to refinance or sell the property, and can even force the property owner to pay twice for the same work (in full-price lien states).
