...

A General History of the Robberies and Murders of the most notorious Pyrates is a 1724 book published in Britain containing biographies of contemporary pirates, which was influential in shaping popular conceptions of pirates. Its author uses the name Captain Charles Johnson, generally considered a pseudonym for one of London's writer-publishers. The prime source for the biographies of many ...

General - Books on Google Play

“The General” is one of those books that deserves a place on the shelf of every leader in uniform as a warning. The Great War (WW I) is a historical trauma that seems I’ve read this book three times since I was a new 2nd Lieutenant in the US Army, and there is always something new to be found to exemplify the seemingly endless struggle of the military professional against the military bureaucrat.

A Text-Book of Bacteriology. Book • 4th Edition • 1945. ... The general limitation of knowledge in this direction is apparent and assistance from physicists and chemists is essential before light can be thrown on these complicated problems. While great progress has been made, there still remains much to be done in the field of bacteriology. ...

[PDF] Textbook Of General Anatomy Of V.Subhadra Devi ...

Textbook of General Anatomy is conceived with a strong belief to inspire the new entrants into the portals of medicine about the importance of learning basic skills, knowledge and attitude before they embark on reading the important branch of medicine the anatomy, that requires in-depth region-wise knowledge and skills.

The General by C.S. Forester

In general the book has been written with good accuracy. Relevance/Longevity rating: 5 The basic fundamental principles of chemistry are still intact and relevant and the book's content is up to date. I am not sure about the accuracy of the history of chemistry. It needs to be thoroughly examined based on the true historical facts.
