The justification for this system, one barrister explains, is that the lawcourts themselves are a theatre of conflict, where backstabbing, deception, and dirty tricks abound. To survive in these courts, and (occasionally) defend your clients, a barrister needs to have learned these lessons early, in the cut-throat battle for tenancy.

The gavel, a device never used in the English courts, features on the cover of Confessions of a Barrister – and is a harbinger of things to come. The book is an anonymised account of the trials and travails of criminal barrister, “Russell Winnock”, who called in 1999. But, the title notwithstanding, his “confessions” are few and far between.

In Confessions of a Barrister Russell's job is to defend (and sometimes to prosecute) those who end up on the wrong side of the law. From the drunk and disorderly to murders, this book follows some of Winnock's most memorable cases over his career so far. It's a light-hearted book with some cases damn right baffling and others very serious.
