The head has two guides on the outside edge (closest to the operator). The fence rides an 1 1/4" angle rails, the vertical side facing the saw and pointed downward. The fence head has a small metal angle with a plastic part that rides on the inside edge of the 1 1/4" angle rail.

### Emag Operator Manual

I went step by step, video by video and the assembly was a breeze. Hats off to the makers of the videos. I never had to look at the owners manual once during assembly. I did look at the manual when done just to make sure I didn't miss anything. Take your time when putting it together. Extra set of hands makes it easy.
