The EVT 168 electric scooter is popular for its retro style and the advanced technology that runs its system. The EVT 168 is specifically designed for cruising on public roads, ideal for most commuters.

EVT 168 Electric Scooter Battery Charger ...

It produces 2kw just like most of the 50cc models but the EVT does this with zero emissions (near the rider) via a series of four sealed lead-acid batteries mounted under the seat. The scooter is almost silent, the only sound is a quiet electric whirr when you get up some speed, but the noise of the wind is about the same volume.
