Helping Children Succeed: What Works and Why by Paul Tough

The particular focus of *How Children Succeed* was the role that a group of factors often referred to as noncognitive or “soft” skills — qualities like perseverance, conscientiousness, self-control, and optimism — play in the challenges poor children face and the strategies that might help them succeed. These qualities, which are also sometimes called character strengths, have in recent years become a source of intensifying interest and growing optimism among those who study child ...
