10. You're often confused for an extrovert. Your friends and family don't buy that you're an introvert because you're just so social. In fact, it may have taken you a while to realize that you're an introvert — because you play the extrovert so well. Now you find yourself constantly having to explain your introversion and how you ...

### **8 Confessions of an Introvert Living in a World Made for ...**

Introverts are generally described as people who thrive on their own and who feel drained when they must interact often with other people. While introverts often get a bad rap, they should simply be seen as people who are energized in quiet spaces and during alone time rather than in loud, large social gatherings. Although extroverts are very good at making their presence known because they ...

So it might help the more extroverted among us to understand some of these behaviors that drive introverts like me crazy. 10 Things That Annoy Me as an Introvert 1. A sudden change of plans. Introverts actually love being with good friends and crave meaningful social interaction. But because it can take a lot of energy, it's easiest when we ...

## **Why Introverts Are More Self-Aware Than Extroverts**

Being an introvert in a world that generally only works smoothly if you're an extrovert can be extremely difficult. You're expected to perform well in large groups, to frequently socialize, to speak up confidently, and to be outgoing. Being expected to do all that when you're a highly introverted person (me!) is at times mentally and also physically straining.
