Nineteenth century migration was the product of an extremely complex web of influences, which created a restless, rootless population and also provided an outlet for it in an expanding world within and beyond the British Empire. Emigration has been a subject of public and political debate since at least the mid-eighteenth century.

Migration and Empire

Migration and Empire provides a unique comparison of the motives, means, and experiences of three main flows of empire migrants. During the nineteenth century, the proportion of UK migrants heading to empire destinations, especially to Canada, Australia,

Teaching migration, empire and colonialism in Britain's history lessons. Alana Walden: [00:00:07.62] Welcome to the Cambridge Assessment podcast. I'm Alana Walden, and today I'm introducing an episode on the teaching of migration, empire and colonialism in British history lessons.

Migration And Empire Oxford History

The purpose of the five volumes of the Oxford History of the British Empire was to provide a comprehensive study of the Empire from its beginning to end, the meaning of British imperialism for the ruled as well as the rulers, and the significance of the British Empire as a theme in world history. The volumes in the Companion Series carry forward this purpose by exploring themes that were not ...

Oxford History of the British Empire Companion Series ...

During the nineteenth century, the proportion of UK migrants heading to empire destinations, especially to Canada, Australia and New Zealand, increased substantially and remained high. They included so-called 'surplus women' and 'children in care', shipped overseas to ease perceived social problems at home.

In This Article - Oxford Handbooks Online

Migration and Empire is a useful contribution to the Oxford History of the British Empire Companion series. In the book, Marjory Harper and Stephen Constantine offer a broad examination of immigration to and emigration from the empire and from within and beyond its boundaries from 1815 to the 1960s.
