Teaching and Teacher Education | Journal | ScienceDirect ...

Teachers also play an important role in the classroom when it comes to the environment. Students often mimic a teacher's actions. If the teacher prepares a warm, happy environment, students are more likely to be happy. An environment set by the teacher can be either positive or negative.

Education Thought Leaders Introduce a New Model of Teacher ...

Teacher education, as it exists today, can be divided into two stages, preservice and in-service. Preservice education includes all the stages of education and training that precede the teacher's entry to paid employment in a school. In-service training is the education and training that the teacher receives after the beginning of his career.
